Dear Ms. Horowitz:

Based on your application and the documentation you provided, your request to offer first aid and CPR training to child care providers in Colorado is approved. You are approved as Trainer of Record and the only person authorized to sign the training cards at the conclusion of the training.

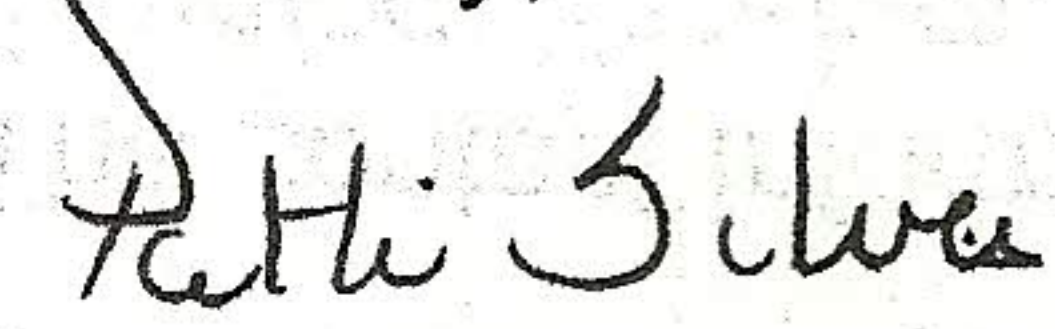

The contact information you provided will be added to our *Directory of Approved First Aid/CPR Training Vendors*. The *Directory* is updated regularly and is included with the application materials that are sent to individuals who are seeking licensure as child care providers in Colorado. In addition, your contact information will be published in our website *Directory* in the near future:

<http://www.cdhs.state.co.us/childcare>

Please note that any future changes to your training, including the trainer of record, must be approved prior to implementation. Please notify us immediately in writing should you wish to make any changes in your program.

On behalf of Colorado's children, thank you for providing this service to child care providers in Colorado.

Sincerely,

  
Patti Silvers  
Licensing Supervisor  
Division of Child Care
